MOTIVATION

Berlin

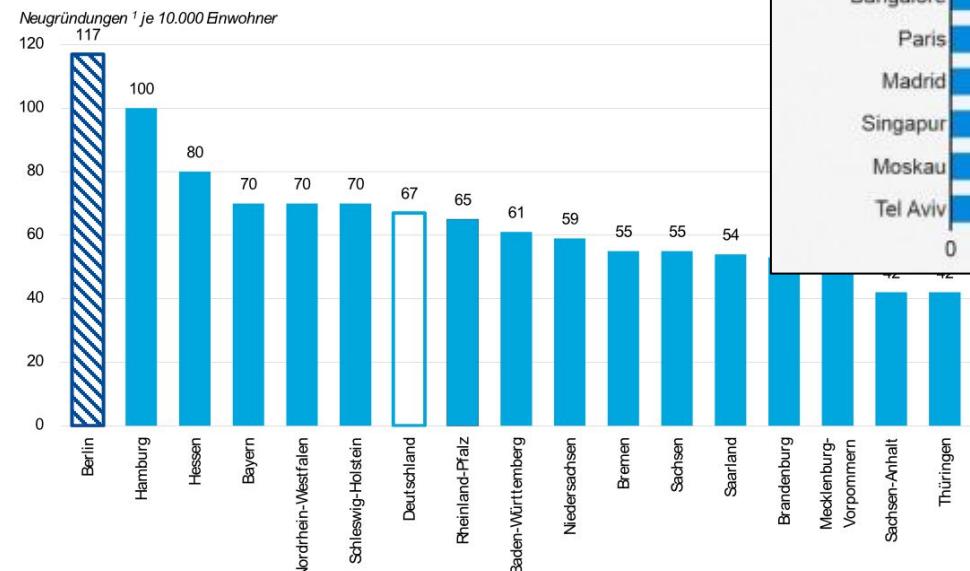

Is Becoming The Epicenter of Startups in EU

Investitionshauptstadt Berlin

In deutsche Start-ups investiertes Risikokapital (in Mio. Euro)

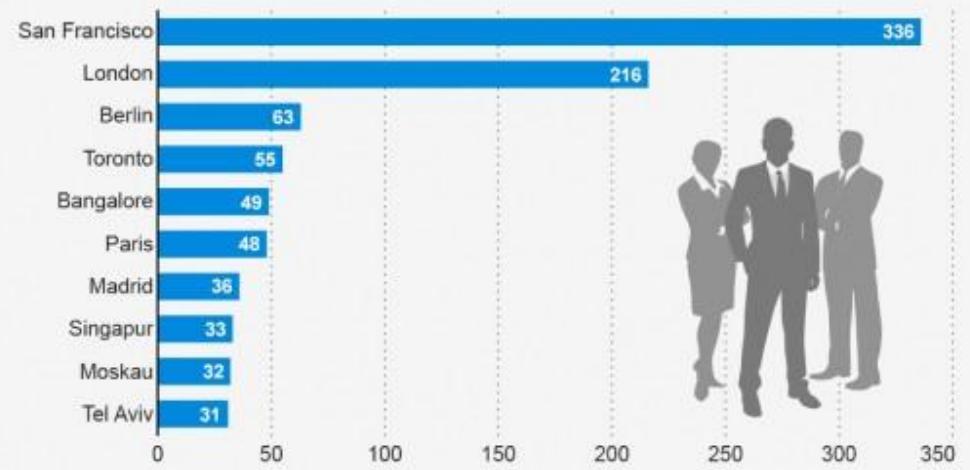

Unternehmensgründungen im Vergleich der Bundesländer Gewerbegründungen 2017

Startup-Mekka San Francisco

Anzahl der neu gegründeten Tech-Startups in ausgewählten Städten 2012

German Digital Hubs

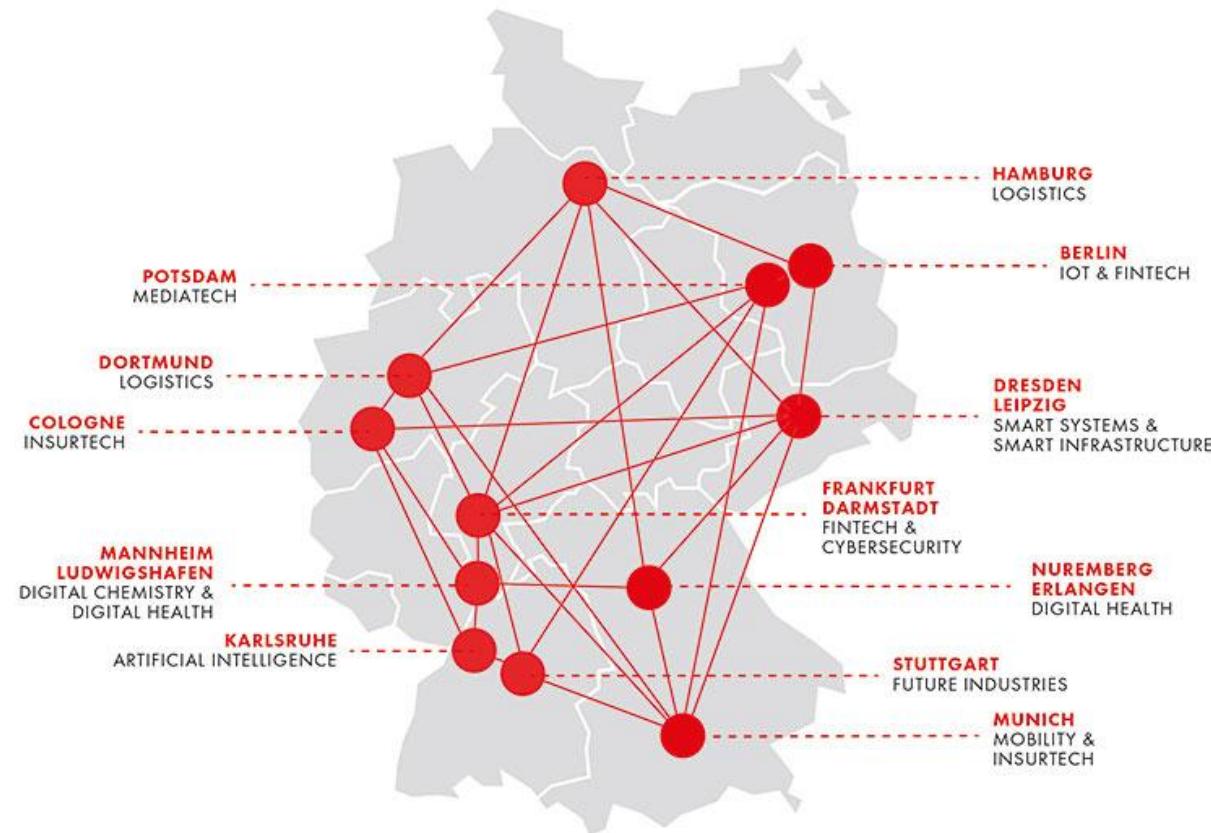

Twelve Hubs, One Digital Network.

The Federal Ministry for Economic Affairs and Energy's Digital Hub Initiative promotes digital innovation in Germany.

In twelve digital hubs, entrepreneurs, founders and researchers develop digital solutions for services, trade and production. Their respective core areas range from artificial intelligence to digital health and smart systems.

and Energy

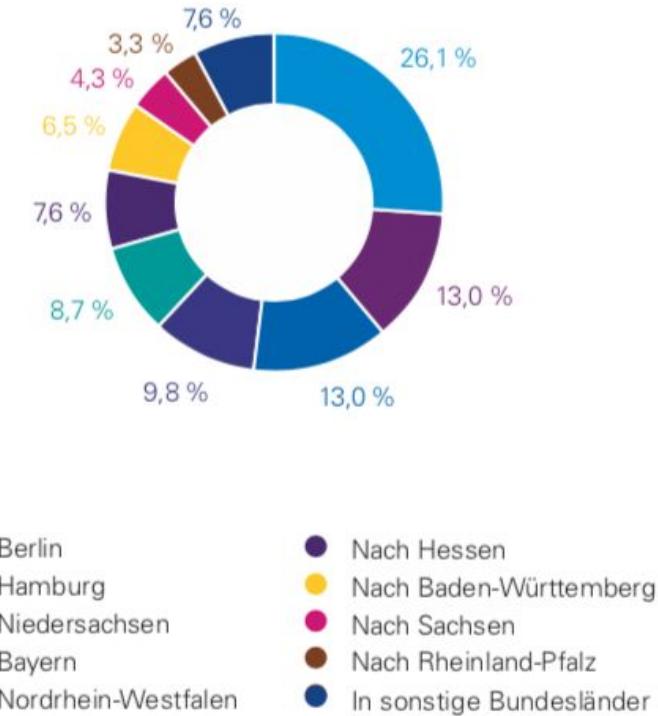

Why Berlin?

A Rising Startup City

Abb. 4: Bundesländer mit dem größten Zulauf durch überregionale Standortwechsler (2017)

n-Wert für 2017: 258

Rundungsdifferenzen möglich

Berlin is Poor, but Sexy

Creative, Diverse, Communal and Cheap

PROBLEM

Self-Sustained Infrastructure

For High-Tech Hardware Innovations

Hardware Startups in Berlin needed an equipped infrastructure to go from idea to production.

Berlin needed this ...

Berlin has enough of this !!!

The background of the image is a large, modern industrial building with a complex steel frame and glass walls. The building has multiple levels and large windows. The sky above is bright and clear.

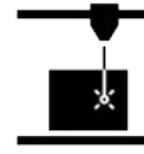

SOLUTION

MotionLab.Berlin

Living Ecosystem for Hardware Startups in Berlin

HIGH-TECH MACHINES

GARAGES & OFFICES

TRAININGS & EVENTS

PARTNERSHIPS & COMMUNITIES

We were then ...

We are now ...

We are now ...

Startup Garages

We are now ...

Corporate events

We are now

A Fast Growing Hardware Innovation Hub in Berlin for Young Startups to Design, Develop and Produce Their Ideas

WE ARE
> 200

Hardware Experts,
Startups, Companies
and Communities

WE HAVE
> 4500^{m²}

Garages and Factory
With Manufacturing
Machines for Plastic,
Metal, Wood,
Electronics

WE HOST
> 20

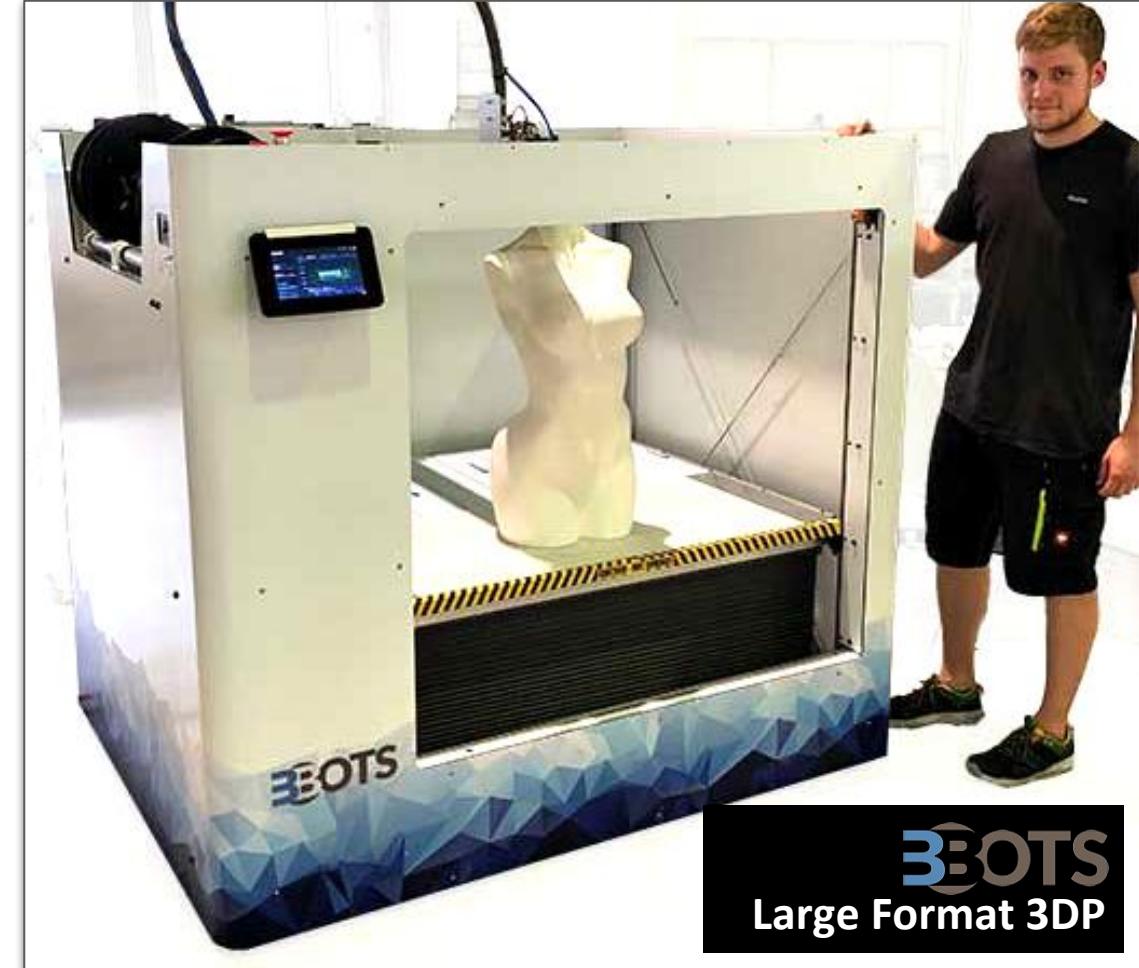

Startups Working on
Hardware Innovation
Especially in Smart
Mobility & Additive
Manufacturing

WE BOOST
> 34

Products are Actively
Under Development
and Early Stage
Production

Our Startups

From Idea to Production

Our Startups

From Idea to Production

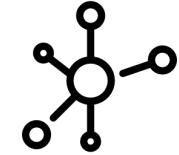

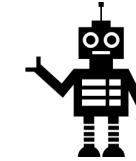

Our Team Now
